To whom it may concern,

**RENTAL APPRAISAL: 80 Saint Johns Avenue, Ashgrove, QLD 4060**

Homefront is a specialist property management company servicing landlords all-around South-East Queensland. We provide a professional, proactive and trusted service. If you ever need any further clarification, please feel free to contact me anytime.

When assessing the rental value of a property, we consider factors that assist in leasing your property promptly. This includes a comparison of similar properties on the market, current vacancies and market trends. Obtaining a realistic rental value ensures that your property is let as quickly as possible for a better financial return on your investment.

A range of rental value is provided so that you can make a sound decision based on your personal situation. The higher figure represents a rental value which may be achieved given time and may be used to test the market. The lower figure is one which may appeal to a tenant quickly.

**RENTAL APPRAISAL**

We would anticipate a rental range of **\$1,200 - \$1,300 p/w** would be considered a reasonable market value to locate a suitable tenant in a reasonable time frame.

Yours faithfully,

**Gus Esler - Director**

Homefront Property Management
